GUN CLUB

Feb. 6, 2025

Hello:

Sorry the weather was bad for a lot of members and they couldn't make it to the annual meeting. We had 13 members and did get business taken care of.

Highlights from the annual meeting: All the officers of the club remain the same. The Trustees for this year are: Trent Grove, Mark Crane, Steve Props, Cliff Grubaugh, Rick Horton, Bob Hurlburt and Dan Saltzman (in no specific order) have a couple of newbies so that's very nice to see. Thanks to all of the Officers and Trustees!

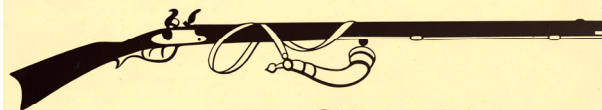

On Sunday February the 16th we will have a Flintlocks Only Shoot, hosted by Page Carr. This is a "free shoot" at the CCC range. Thank-You Page for providing the prizes, he says it will be about 26 shots. We will be shooting from different positions BUT none will be sitting or lying on the ground. If you don't have a flintlock, please join us anyway, we will have a few extra rifles and balls. Bring your shooting box, powder and patches at least so you can load up. Leave your spotting scopes at home, Page is asking that we don't use any of these (to make it more interesting). He has the target frames for this shoot also. This has been a cold shoot in the past, never know what the weather may be, hope to see you there with your flintlocks ready to start the 2025 season.

A final Shoot Schedule is attached, the dates are the same, but the hosts have been updated.

Take care, hope to see you at the range!

Mark Hazel
President, again!!
