

# OHIO VALLEY MUZZLE LOADING

## GUN CLUB

---

April 2017

Hello All;

The April shoot was on Saturday April 1st, hosted by Kevin Calderwood and Tom Darfus, and was not well attended due to the weather. We had about 13 shooters, a good assortment of different targets and only a few minor incidences. Gary Bevard had some issues keeping the jag on his ramrod, not enough to get him in the Hall of Shame! But Tyler Grubaugh made it into the Hall again 😊, first of this year dry-baller. I had a very good day, came out as the Top Gun, (see what happens when you don't come out and shoot?) Gary is the Free Shooter next shoot.

We want to thank Bob Hurlburt for picking up the tab on some club patches that he had made up. We approved the expense but he would not take the money, so Thank-You Bob! They are what is at the top of this letter and will be available to purchase at the shoots.

Next shoot is on Sunday May 7th, hosted by Barb Grubaugh, starts at 11:00 A.M. The work on the target racks was completed last month, so that is all done until next year.

Attached is the flyer from the New Frontiersmen club woods walk on May 20-21st. They put on a good Woods walk shoot, have good prizes and a potluck meal on Saturday evening.

Hope to see everyone on May 7th! Mark Hazel
