## GUN CLUB

May 19, 2021

Hello Everyone;

Our last shoot hosted by Rick Harkless was a bit windy! Normal conditions at Centerburg Conservation Club Range. I think 17 shooters joined in the fun. Sis provided lunch, thanks to all for their club support!

Our next shoot is on Saturday May 28<sup>th</sup>. To be hosted by Ken Netting, a founding club member, it's sure to be a great time. It's a grocery shoot and a great way to start off your Memorial Day Weekend.

Hope to see you, if you can't make it, have a great Holiday.

The NMLRA has the Spring National Shoot June 11<sup>th</sup>- 19<sup>th</sup>  
Then on the 25<sup>th</sup> and 26<sup>th</sup> we have our Founder's Day weekend shoot.

That's All Folks!
