MUZZLE LOADING

GUN CLUB

JANUARY 26, 2021

Hi Everyone,

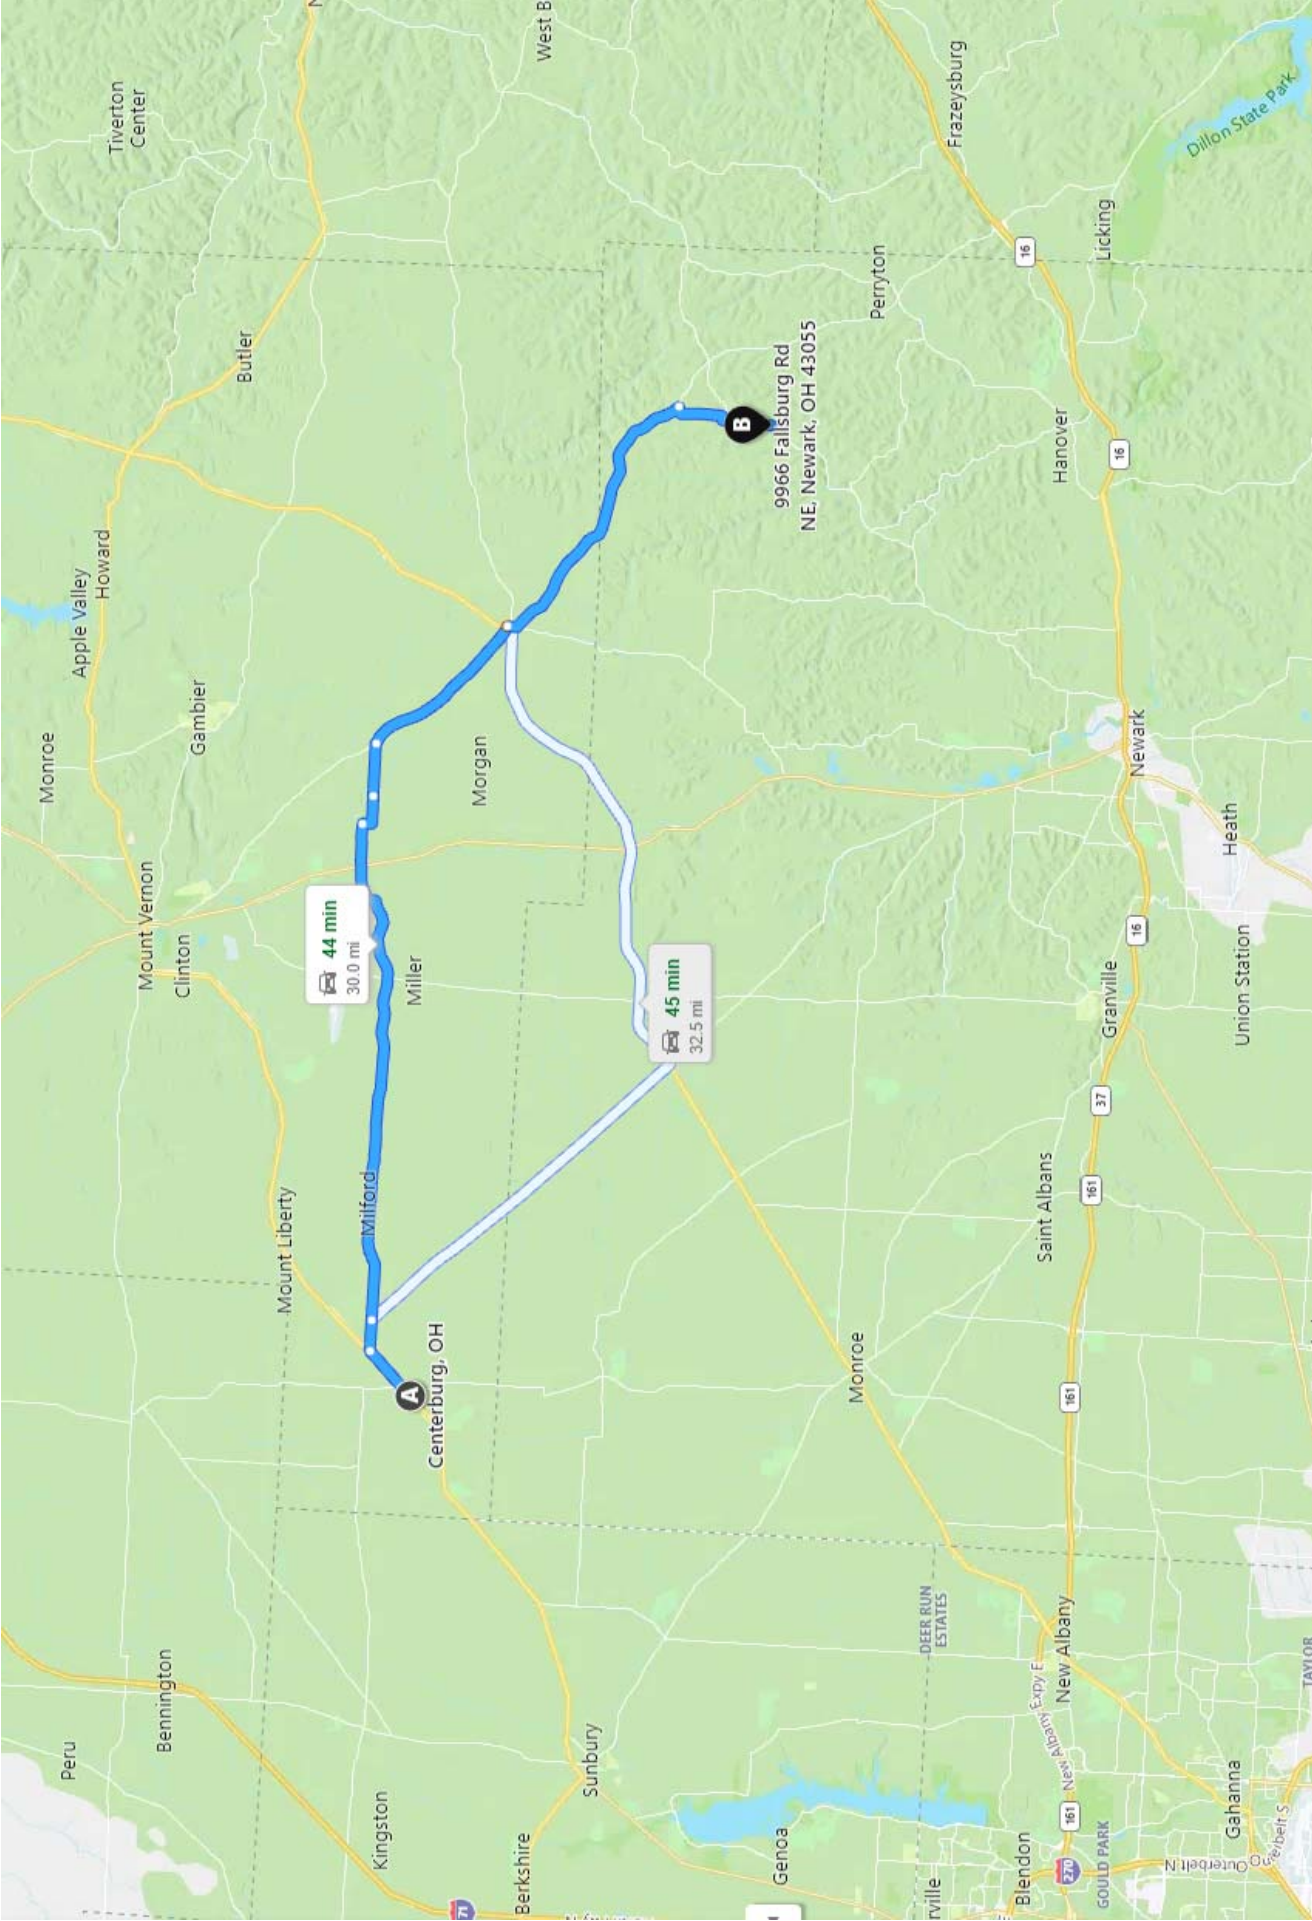

On Saturday February 6th, at Centerburg Conservation Club range, Page Carr is hosting a “**Flintlocks Only Match**”. This is free to enter, and Page is providing a prizes for up to at least 4th place. This is a Paper Match, at different distances and different shooting positions. We did this at the “Fort” last year (right before the pandemic hammered down on us) it was a lot of fun. It’s outside and we can social distance/ wear masks, be safe for all. If you can bring a frame to post the targets on, just in case the target racks are totally shot up, we’ll be ok.

Then on Saturday February 20th, at Page Carr’s home (address and a map is to be attached). Page has spent much time and energy setting up a **WOODSWALK** Course on his property. The cost of this is \$15, and he’s doing this to benefit the Deathwind Longrifles Club. Approximately 15 stations plus the opportunity to enter in some Side Shoots. \$1/ first shot and .50 each reentry shot. The side shoot will be something tied onto a string, cut the string and win what is on the ground! Penalty will be assessed to anyone hitting the prize, not the string 😊 Again, masks would be great, if you don’t feel well, please stay home. Come out and have some fun, help out our friends at Deathwinds club.

Our first official Club event will be on March 6th, the Blanket Shoot. I will send out a newsletter prior to that to remind everyone. Hang in there, we’ve made it this long, light is shining bright at the end of the tunnel!

Your president;

Mark Hazel
